Dear **Friends**,

We hope that all of you **wine-lovers** are doing fantastic.

We bottled our **2014 True Believer** Red Blend in February and it's tasting great right now. Please feel free to buy it, so you can enjoy this tasty beverage, with good food and great friends, in joyful celebration of life.

Here's what Mr. Jeb Dunnuck ([jebdunnuck.com](http://jebdunnuck.com)) had to say about the wine:

*the 220-case 2014 True Believer is incredible stuff and checks in as a blend of 51% Grenache, 27% Syrah, 11% Mourvèdre, 8% Petite Sirah and the rest Viognier and Roussanne. This deep ruby/purple colored beauty offers tons of ripe blackberry, currants, smoked herbs, pepper and melted licorice-like aromatics. Deep, sumptuous and decadent on the palate, with low acidity, it stays light on its feet and graceful, and certainly delivers loads of pleasure. Drink this blockbuster style beauty anytime over the coming decade or more.*

Well, we say that's a pretty good description, and better than anything we would come up with, so there you go. As noted above, we made 220 cases, which is about 40% more than 2013. With this, we intend to get some new folks in the mix who've been waiting to buy our wines.

We look forward to preparing your wines for November shipment over the next month. We will notify you before shipping, as we understand people are busy, and may need different arrangements.

Thank you very much for your enthusiasm.

Chris and Dayna
